## EVENING TIMES.

CAIRO, FRIDAY, SEPT. 1, 1865.

VARIOUS ITEMS.

The man who attempts to avoid the duduties and trials of life by "shuffling off this mortal coil" is a cotemptible shuffler. The subscribers of the Albany Evening Journal object to the material of which its pa. per is now made. They are afraid of being bamboo-zled.

Mrs. Grundy presents this "reminiscence of Canning: Why can persons occupied in Canning Fruit stow away more of it than anybody else? Because they Can.

Tom Moore, the poet, used to tell a good story of the gentleman who, when he was short of money and his relatives were stingy and refractory, used to threaten his family with the publication of his poems. The invariable and immediate result was as much cash

There are now nearly three hundred Chinameu living in New York, but probably not half a dozen women from that country. There are two or three Chinese families. About fifty of the Chinamen are married-most of them to Irish women. They are generally industrious, but somewhat addicted to drinking, and they are not cleanly in their habits. Many of them are at work as porters in stores, and are faithful to their employers.

A letter from New York says that General Burnside and a gentleman living in that city have purchased the Franklin and Martinsville Railway in Indiana. At present the road is of little account. The purchase was effec-ted for twenty-five hundred dollars. The par-ties expect to make three hundred thousand by the operation. They propose making an excursion to Shelbyville on the east, and to Terre Haute on the west, thus forming a link in the through line between St. Louis and New York.

A correspondent of the Springfield Republican describes the working of the pew rents in the Orthodox Church. Expenses about \$1,000. Income of pew renters, 60,000, ranging from \$20,000 down. Highest rent \$24. Single seats for factory girls, \$6. He says: "Now if the \$20,000 man paid in the ratio with the factory girl, with her income of \$2000, he would pay \$600. If she paid in the same ratio with him, she would pay 25 cents. If all paid an equal ratio of two per cent. per annum on their published incomes, the church would have enough to pay all its ordinary expenses

## ILLINOIS STATE FAIR-RAILROAD ARRANGEMENTS.

SPRINGFIELD, August 14, 1865. For the information of those who design to be exhibitors and visitors at the Fair of this Society, to be held in Chicago, September 4th to 9th, prox., I have to state:

The Illinois Central Railroad, the Chicago, Alton and St. Louis Railroad, the Chicago and STAPLE AND FANCY DRY GOODS, Rock Island Railroad, the Chicago, Burlington and Quincy Railroad, the Chicago and Northwestern Railway, (all its lines), the Pittsburg and Fort Wayne Railroad, (from Fort Wayne west), and the Toledo, Wabash and Western Railroad, (from Quincy to the state line), will transport visitors to the Illinois State Fair and return, at one fare and one-fifth, or sixty per cent on full rates.

The same roads will transport all stock and other articles designed for exhibition, FREE. In all cases the full freight must be paid one way when shipment is made, but will be refunded either at the station whence shipped, on return of the same stock, or other articles, after the Fair, without change of ownership, or at Chicago, when they are shipped for return. The Chicago, Burlington and Quiney Railroad will require full freight to be paid both ways, but will refund it "on all property returned from the Fair with the proper identification to

it attached." All freight bills for the return of stock or other articles, must be examined by the Secretary on the grounds, who will, if satisfied of their correctness, stamp them "Exhibited," which stamp will be recognized by the railroad companies named as evidence that the articles mentioned in the bill have, in good faith, been on exhibition and are entitled to free transporta-

All excursion or return passenger railroad tickets should also be stamped by the secretary on the Grounds. The Chicago and Rock Island, the Pittsburg

and Fort Wayne, and Illinois Central Railroads, whose lines run near the Fair Grounds, together with the Street Horse Railway, which delivers passengers at the entrance gate, will afford ample facilities for the safe, rapid and comfortable transportation of visitors to and from the Fair Grounds and centre of the city, at very low rates of fare.

Should arrangements be effected with any other railroads terminating at Chicago, due notice will be given. The Press of this and Boats Supplied Night & Day adjoining States will confer a favor on the publie by copying and calling attention to this notice, and they are respectfully requested to do JOHN P. REYNOLDS, Sec'y Ill. State Agricultural Society.
